TO STRENGTHEN AMERICAN TEAM

Recent News From London Arouses Athletic Leaders to Action.

RECTOR WILL HAVE A SWEDISH RIVAL

England Leaving No Stone Unturned to Deprive America of Majority of Points at the Olympic Games, and Counts on Foreign Aid.

NEW YORK, June 20.—Recent news from London has aroused the apprehension of American athletic leaders over the chances of success of the American team in London. Over in Europe it is anything to beat America, and those who are well informed believe America has a stupendous task before her. England is working as she never worked before to get together a winning team. The teams of Ireland, Wales, Scotland and England will be combined in one for the sole purpose of giving Uncle Sam a wallowing.

England counts on France, Germany, Sweden and other countries to supply men who will deprive America of many points. Sweden in particular will furnish a lot of trouble to both America and England.

The Swedish athletes have arrived in London 150 strong, and among them is a man who can high jump six feet three and three-quarters inches. Then there are three Swedes who have covered five miles under twenty-five minutes twelve seconds. One Swede, Lindberg by name, has covered 100 metres in competition in the time of ten and three-fifths seconds, one-fifth of a second better than the world's record, and one-fifth faster than was run by Rector at the American Olympic tryouts in Philadelphia recently.

These facts and others that have been gathered by letter have aroused the Americans to action. They are ready to admit that the team selected to represent America is the best this or any other country ever gathered, but they insist that at least a dozen men on the supplemental list must be sent.

This was the main point of discussion of the athletic leaders who attended the games at Travers Island last Saturday. They pointed out that some of the stars are sure to be incapacitated by sickness or injuries, and that it is only common sense to have first-class substitutes on hand. It is, if anything, the unexpected that happens in athletics, and it is folly not to be prepared for any mishap.

Accidents put several of the star performers out of commission at Athens, and the secondary men, such as Pilgrim, astonished everybody by going out and making good a clean-cut victory for this country.

At least \$5,000 more must be raised to send a dozen men now on the supplemental list to London. Realizing the importance of having these men on the team, three famous athletes—Martin Sheridan, Harry Hillman and Lawrence Robertson—have started out to raise the \$5,000 necessary for this purpose. They will have to hustle hard to have that amount in the hands of Julian W. Curtis, of the American committee, before June 20th.

RADFORD BEATS PULASKI

[Special to The Times-Dispatch.] EAST RADFORD, VA., June 20.—Radford took the last game of the fourteen scheduled with Pulaski today by the score of 8 to 0 on the latter's grounds. Steehr was on the mound for Radford and Thompson did the box work for Pulaski. Thompson was hit hard and opportunely, while Steehr was invincible, allowing only four scattering singles. In addition to their heavy hitting, Radford put up a glit-edge fielding exhibition. By taking to-day's game Radford has won nine out of the fourteen.

The local club plays Princeton, W. Va., team on the home grounds Monday and Tuesday, after which they go to Bristol to go up against the Twin City team on the Thursday, Friday and Saturday following.

Batteries: Radford, Steehr and Coyle; Pulaski, Thompson and Massie.

UNBEATEN COLIN WINS THE "TIDAL"

NEW YORK, June 20.—The fifteenth successive victory was added to his record to-day by Colin, James R. Keene's unbeaten three-year-old, when he won the Tidal stakes at the Sheepshead Bay track in easy fashion. The Tidal stakes are for three-year-olds, and is worth \$14,500 to the winner. Today's victory, with that of Ballot in the Suburban on Friday, make Mr. Keene's returns from the two races close to \$25,000.

Colin was in his two-year-old form, and apparently sound and true. His string of winnings practically put him out of the betting, the odds being quoted at 1 to 5. Twenty thousand persons saw the race. The four horses were sent away to a fine start. Colin quickly went to the front, and from that moment led his field easily. At the quarter he bettered Chapultepec and Stamina by a length and a half. At the far turn the field closed up slightly and Dorante raced into second place, but when the horses came into the stretch Notter gave the speedy Keene colt his head.

The jockey eased up on Colin as he neared the finish, allowing Dorante to come within a couple of lengths as they swept across the line. Bornate was four lengths before Stamina, which in turn was eight lengths before Chapultepec. Colin's time was 2:04.
